

Transfusion, Haemostasis and Thrombosis

Learning track 12

Saturday, June 4, 2022

S

Symposium

12S1 What is new in the understanding and perioperative management of...

14:00 – 15:00

Chair: Christian von Heymann (Berlin, Germany)

Heparin-induced thrombocytopenia

Speaker: Karina Althaus (Tuebingen, Germany)

Disseminated intravascular coagulation in sepsis

Speaker: Mirjam Bachler (Innsbruck, Austria)

Hereditary bleeding disorders

Speaker: Isabell Pekrul (Munich, Germany)

Discussion

L

Lecture

12L1 Reversal of Direct Oral Anticoagulants (DOACs): when, how and at all?

16:30 – 17:15

Chair: Eleni Arnaoutoglou (Larissa, Greece)

Reversal of Direct Oral Anticoagulants (DOACs): when, how and at all
Speaker: Christian von Heymann (Berlin, Germany)

Discussion

Sunday, June 5, 2022

S

Symposium

12S2 Perioperative management of patients with liver disease

Session organised by the Liver Intensive Care Group of Europe (LICAGE)

08:15 – 09:15

Chair: Koen Reyntjens (Groningen, Netherlands)

Chair: Giandomenico Biancofiore (Pisa, Italy)

Perioperative management of hyponatremia in ESLD

Speaker: Dmitri Bezinover (Hershey, United States)

Perioperative management of Jehovahs Witness in liver transplantation

Speaker: Jaap Jan Vos (Groningen, Netherlands)

Perioperative management in cirrhotic patients for non-transplant surgery

Speaker: Dana Rodica Tomescu (Bucharest, Romania)

Discussion

S

Symposium

12S3 Pulmonary embolism – New evidence

14:00 – 15:00

Chair: Ecaterina Scarlatescu (Bucharest, Romania)

Pathophysiology of pulmonary embolism – New evidence

Speaker: Menno V. Huisman (Leiden, Netherlands)

Pulmonary embolism in the OR – Treatment options

Speaker: Eleni Arnaoutoglou (Larissa, Greece)

Thrombolysis or catheter-based treatment in high-risk pulmonary embolism in the patient after surgery

Speaker: Ahmet Guner (Istanbul, Turkey)

Discussion

S

Symposium

12S4 The value of viscoelastic monitoring...

15:15 – 16:15

Chair: Eleni Arnaoutoglou (Larissa, Greece)

... in peripartum catastrophes

Speaker: Michaela Farber (Boston, United States)

... in cardiac surgery

Speaker: Daniela Filipescu (Bucharest, Romania)

... in trauma surgery

Speaker: Christian Fenger-Eriksen (Aarhus, Denmark)

Discussion

Monday, June 6, 2022

ME

Meet-the-Expert

12ME1 Coagulation disturbances in oncologic patients – Implications for anaesthesiologists

08:30 – 09:15

Chair: Daniel Bolliger (Basel, Switzerland)

Coagulation disturbances in oncologic patients – Implications for anaesthesiologists

Speaker: Ecaterina Scarlatescu (Bucharest, Romania)
